JAPAN.

Report from Yokohama—Examination of emigrants.

Passed Assistant Surgeon Cumming reports:

Number of emigrants per steamship *Shinano Maru* October 28: For Seattle, rejected, 1; advised to wait, 6.

Per steamship *Mongolia* November 5: For Honolulu, rejected, 2; for San Francisco, advised to wait, 3.

Detentions and rejections were for trachoma.

Report from Kobe—Inspection of vessels—Examination of emigrants.

Temporary Acting Assistant Surgeon Smith reports, October 27:

During the week ended October 24 supplemental bills of health were granted to 7 steamships. There were inspected 138 members of crew and 244 steerage passengers. Seventy-six steerage passengers were bathed and disinfected. Their effects were disinfected by steam. The number of pieces of baggage steamed was 149 and bedding 124. Manifests were viséed for 29,497 pieces of freight, amounting to 2,591 tons.

Emigrants were examined as follows:

Steamship *Shinano Maru* for Seattle, passed, 31; recommended for rejection, 8. Steamship *Asia* for Honolulu, passed, 26; recommended for rejection, 9. The emigrants passed, together with 5 intending passengers to Victoria by the steamship *Shinano Maru*, were inspected, bathed, and disinfected. Their effects were disinfected before embarkation.

Report from Nagasaki—Cholera outbreaks in consular district.

Sanitary Inspector Bowie reports, October 28:

Cholera has made its appearance simultaneously in widely separated localities included in this consular district. There have been at Moji 2 cases; at Obama, a small hot-springs resort two hours distant from Nagasaki, 1; at Sasebo, a well-known naval port, 2 cases; and on the island of Tsushima, distant about ten hours by water, 7 cases.

MEXICO.
